

JOIN Robinson Rams PTSA Legislative Network !

The Legislation Committee coordinates the development of Virginia PTA’s Legislation Program, provides the latest information on pending legislation dealing with issues of concern, and directs advocacy efforts to pass or defeat legislation as directed by the Legislation Program approved by local units and convention resolutions. Locally, the legislative committee is familiar with the Virginia PTA Legislation Program, monitors School Board and Board of Supervisors meetings, attends Leadership Training, District Legislation meetings and workshops, and contacts legislators. The legislative committee also has the local responsibility to compile and send any suggestions for State Preliminary Proposed Legislation Program (PPLP) sent to the state chairman by March 1st each year. Robinson’s PTSA Legislative Network Members have the responsibility of assisting the PTSA in contacting elected officials and making them aware of Robinson PTSA’s concerns, issues and requests; thereby, furthering the mission and purposes of the Robinson PTSA. This is a unique volunteer opportunity! There are no traditional meetings. All correspondence will be handled through emails.

Drop off form at PTSA Membership Table on Locker Distribution Days (9/1/10, 9/2/10 & 9/3/10), Back to School Nights (9/15/10 & 9/22/10) or Mail to: Robinson PTSA, 5035 Sideburn Road, Fairfax, VA 22032
