“SAFE HOME” PLEDGE

2011-2012

In response to parent and school concerns about teenage drinking, smoking, drug use and unsupervised parties at private homes, the Robinson Secondary School PTSA sponsors a voluntary Parent Pledge for Middle School and High School parents.

Show your commitment toward providing a responsible social atmosphere for our students by signing the Parent Pledge. Names of families who take the pledge will be published in the **RamGram** this fall and the RamGram will be published to the PTSA website. It is recommended that parents place a copy of the listing of families taking the pledge in your Student Directory to quickly identify “Safe Homes” as needed. The PTSA also highly encourages parents to phone each other concerning social activities in your homes.

“I pledge that all parties given in my home for school-age children will be actively chaperoned and will be free of alcohol and other drugs.”
