

## SGA

The Robinson Student Government Association has been busy at work during these final few weeks of school. We have students working on end of year projects celebrating the upcoming graduation as well as students who are promoting school spirit with "Spirit Fridays" over the next few weeks. Friday, June 5 will be "Destination Ram Nation" (wear blue & gold), Friday, June 12 will be "Destination Relaxation" (comfy clothes), and Friday, June 19 will be "Destination Summer Vacation." We have a few students working on a project that will help orient our new group of SGA students this summer and fall, and others are planning our end of the year "Student & Teacher of the Quarter" ceremony (to be held Tuesday, June 2 at 2:30). SGA continues to support the school with our efforts to organize and distribute gowns to the entire faculty so that we represent Robinson proudly at graduation next month. Finally, we are busy at work planning next year's Homecoming (Homecoming 2009: Once Upon a Robinson). We will see you at Homecoming events during Homecoming week (September 28-October 2). Have a relaxing and fun summer!
